

NEW For 2017!

Area I Young Rider Classic Series Reimbursement Program

New for this year, we are encouraging all Area I Young Riders to consider participating in the Waredaca Horse Trials and Classic 3 Day Event ,held in Laytonsville, MD on October 19th – 22nd. And we have reserved \$2500 to allow ten YR program members to help offset the costs of participating. If you are an Area I Young Rider Program member in good standing as of April 1, 2017, you may apply for a Classic Series Reimbursement of up to \$250 towards your entry fee.

The thrill of the “chase” lives on for those who want to experience the unforgettable rush of the classic long format three-day event! We hope a number of Area I YR’s will decide to take on the challenge of the long format event and the preparations necessary to be successful. We’d love to see several teams from our area head down to Maryland.

Series Mission

Long-format events from the Beginner Novice to Preliminary levels are still a reality with the USEA Classic Series and include roads and tracks, steeplechase, and cross-country on "endurance day," as well as horse inspections. Educational activities are offered at the Classic Series Events.

The Young Rider Program wants to encourage our Area I Program to work towards and take advantage of all that the Classic Series has to offer.

YR Member Application Requirements

- USEA Area I Young Rider Program Member by April 1, 2017
- Complete 8 hours of volunteer work at a USEA recognized event(s) (two half days or one full day) by Sept 15th, 2017
- **Reimbursement** will occur within 30 days of the conclusion of the event and the receipt of appropriate forms
