USE CODE: **JANET10**

ABOUT THE JANET BRIGGS FUND

Your purchase helps support **The USEA Janet Briggs Fund** for the **USEA Continuing Education of Licensed Officials**. Established by the United States Eventing Association (USEA) in memory of Janet Briggs, this fund honors her lifelong dedication to the sport of eventing by supporting the education and development of licensed officials. Mrs. Briggs founded one of the country's longest-running horse trials at the University of New Hampshire, directed the UNH Equine Program, and mentored generations of students who remain active in the sport today. A respected dressage judge for more than 50 years, she upheld the highest standards of excellence in equestrian sport. Her legacy lives on through this vital program — ensuring current and future licensed officials continue to uphold the standards she championed.

*Raise a Glass.
Support the Sport of Eventing.
Continue the Legacy.*
