

2024 GMHA Young Rider Camp Scholarship Application

- As part of our mission, Area 1 Young Riders is committed to helping make educational opportunities accessible for all members of the program.
- Six scholarships in the amount of \$250 each are available to current members of the USEA Area 1 Young Rider program who **have financial need and demonstrate commitment to giving back to their eventing community through volunteer work.**
- Educational voucher applications open April 1st, 2024 and close May 1st, 2024 • Please wait to fill out your application to GMHA Young Rider Camp until after you have heard back about your scholarship application. If you receive a scholarship, you will receive a code to apply to your camp application which will reduce the price of camp on the application.
